Giant Killers!!

The Storm boys varsity made history Friday night as they defeated the #2 team in class 4A, Star Spencer, 71 - 66 in the Deer Creek Invitational Basketball Tournament. Coach Flatt was heard to say, "This is the biggest victory in Storm basketball history!" KFOR channel 4, sent reporter Matt Reese, and Oklahoma High School Sports Express's Van Shea Iven was there to get the highlights of one of the biggest upsets of the season.

Star Spencer started with an 8-0 run as they used full court pressure defense to intimidate and cause turnovers by the Storm. The boys answered back by closing the gap to 13-10 to end the first quarter. The offense was patient in getting the shots they wanted in the half court game and took advantage of the Bobcat pressure defense by scoring layups as they got behind their defenders. The score at the half was Storm 29, Star Spencer 21.

The Bobcats continued their full court pressure in the second half but the Storm continued to take what they could get on offense and played good defense by allowing few second chance points. Fouls became a problem for both teams in the 4th quarter. Star tied the score at 57, but that was the last time they would be close. Key baskets, rebounds, foul shooting, and gritty defense at the end spelled doom for the Bobcats as the Storm won 71-66.

High point players for the Storm were Rex Farmer with 18, Nate Santelmann 16, followed by Alex McAfee and Aaron Krejci with 12 points each.

Saturday night, make it an event as the boys take on the #4 in class 6A Putnam City North Panthers at 8:30pm. **Come out tomorrow night and invite your friends to support the boys as they are playing awesome basketball. Don't Miss It!!!!**
